Get a kick out of summer 2019 with North Bay Youth Soccer Club

Soccer continues to be the favourite and fastest growing sport in the world and our community.

North Bay Youth Soccer has more registered players than any other local sport. Our goals are to keep registration fees at a reasonable rate so that all children may enjoy a summer of fun while playing soccer.

We Need Your Support.

We are proud of our achievements in the past and through generous sponsors like you we will continue to provide a quality soccer program to the youth in our community. In 2018 and with assistance from Kid sport children from low income families had their registration fees waived.

North Bay Youth Soccer Club is operated by a volunteer board of directors who spend countless hours to insure that the children in our community have an opportunity to participate in the beautiful game.

In 2018 we had over 1700 players proudly wearing their jerseys with sponsors name and logo prominently displayed.

We are a recreational house league club with participation, fun, sportsmanship and learning skills our priority.

We hope that you will consider sponsoring one or more teams; together we can make good things happen in our community.

If you would like to support the North Bay Youth Soccer Club in their endeavors this summer please complete the 2019 Youth Sponsorship form and mail or fax it to the Soccer office at the above address or contact the soccer office at 705-494-7388.

Once again thank you for your consideration and we hope you join a winning team, the largest sport in North Bay by becoming a proud sponsor.
